

# GET A GRIP!

## MAXFIT™ Gloves with Thinglove™ Technology

**MAXFIT™**  
with Thinglove™ technology

**Thinglove™**  
the Essence of Comfort

**comfort** : lightweight, breathable materials, draws perspiration away from the skin.

**dexterity** : soft and flexible for precise movement and control.

**grip** : performance coating for any surface, reduces fatigue and improves efficiency.

**touch sensitivity** : ability to feel, characterize and sense through the glove.

*From The Leader In Comfort Technology*
